The IoC-led Skills Bootcamps will train 1,700+ people with digital skills

IoC partners are delivering Skills Bootcamps nationwide

You can upskill existing employees in 16 weeks or less and/or gain access to a new pool of talent

ABOUT SKILLS BOOTCAMPS

Skills Bootcamps are **flexible courses of up to 16 weeks that give people the opportunity to build up sector-specific skills** and fast-track to an interview with a local employer. They are being developed as part of the Government's Lifetime Skills Guarantee, helping everyone gain skills for life.

In addition to the [Institute of Coding's](https://www.instituteofcoding.co.uk) (IoC) existing provision, which includes more than **150 university level digital skills courses**, IoC partners are delivering **new Skills Bootcamps** in online and face-to-face formats that will help learners get the skills needed for entry or mid-level employment in digital or tech roles.

If you are an employer and would like to **access this skilled talent pool or upskill your existing employees at an impressive discount (70% off standard fees)**, please email IoCSkillsBootcamps@bath.ac.uk to learn more.
